- The bidder agrees if this bid is accepted, to furnish any and all services and materials upon which prices are offered, at the price(s) and upon the terms and conditions contained in the specifications.

This, however, shall in no way be construed as negating the validity of the County's termination for non-performance.

- The bid award shall be based on, but not necessarily limited to the following factors:
  - Total price
  - Special needs and requirements of Grimes County
  - Grimes County's evaluation of vendor's ability
  - Vendor's past performance record with any Texas county
- If this bid is accepted and approved by the Commissioners' Court, then this bid shall be incorporated into a contract. No oral agreements either expressed or implied shall be valid. No different or additional terms will become part of this contract with the exception of a change arising and approved by Commissioners' Court under the Amendment provisions of the contract.
- The term of the contract **may be extended annually for a maximum of 3 years (2x renewals in FY 27 and FY 28)** at the County's discretion and the Contractor's agreement, if amended in accordance with the "Amendment" paragraph within the contract.
- Each possible 1 (one) year extension of the contract is contingent on the appropriation of necessary funds by Commissioners' Court for the fiscal year in question. Upon the failure of Commissioners' Court to so appropriate in any fiscal year, contractor may elect to terminate this agreement, with no additional liability to the County. County and contractor agree that termination shall be the contractor's sole remedy under this circumstance.
- The vendor shall make himself familiar with and at all times shall observe and comply with all Federal, State, and Local Laws, ordinances and regulations that, in any manner, affect the conduct of the work.

- All insurance requirements, including workman's compensation and liability, as outlined under State Law, shall be met prior to any services rendered and shall remain in effect during the time of the contract associated with an accepted bid. Payments shall not become due and payable until such certificates have been filed.

- The contract associated with an accepted bid shall be governed by and construed in accordance with the laws of the State of Texas and all applicable Federal Laws.
- The contract shall be governed by and construed in accordance with the laws of the State of Texas and all applicable Federal Laws.

- If a court of competent jurisdiction determines that any term of the contract associated with an accepted bid is invalid or unenforceable to any extent under applicable law, the remainder of the contract associated with an accepted bid (and the application of this agreement to other) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.

## GRIMES COUNTY STANDARD CONTRACT

This Agreement is entered into by and between the Grimes County, Texas, a political subdivision (hereinafter referred to as "County") and \_\_\_\_\_ ("Contractor"), both of which may be referred to herein collectively as the "Parties".

The Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

1. **TERM.** This agreement shall commence upon service delivery and terminate on the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, or upon completion of the project, unless terminated sooner according to the terms hereof.

The term of the agreement may be extended annually two times, for a maximum contract term not to exceed three (3) years, at the County's discretion and the Contractor's agreement, if amended in accordance with Section 14 "Amendments."

Contractor may submit, at their option, a request for consideration of bid item cost adjustments based on market conditions prior to annual renewal of the agreement. No individual bid item cost may be adjusted by more than 2% of the original bid item cost. Contractor shall include proof of fair and reasonable bid item unit costs prior to the date of renewal. County shall verify that adjusted bid item costs are fair and reasonable prior to renewal of the agreement.

2. **SCOPE OF SERVICES.** Contractor agrees to provide the services described in the scope of services attached as Attachment A, and other related services as assigned and mutually agreed to by the Parties (collectively referred to herein as "Services"). All Services performed by Contractor hereunder shall be performed to the reasonable satisfaction of County. The determination made by County shall be final, binding, and conclusive on all parties hereto. County shall be under no obligation to pay for any work performed by contractor, which is not reasonably satisfactory to the county.
3. **COMPENSATION.** In consideration of Contractor's performance of its Services set forth in this Agreement, County agrees to pay invoices within thirty (30) days from receipt of such invoice. County may dispute an invoice by providing written notice to Contractor prior to the payment deadline. County may withhold such portion of the payment that is being disputed until such disputes are resolved. In the event Contractor has provided a bid to County ("Bid"), then Contractor shall not exceed the amount included on the Bid without prior written approval from County. County shall have no obligation to pay amounts exceeding the amount stated on the Bid without prior written approval.

4. OWNERSHIP OF MATERIALS AND DOCUMENTS. All work performed under this Agreement shall be work for hire. Contractor hereby assigned any and all rights or claims it may have to property produced or created under this Agreement to County. The final materials, documents, or project related information in whatsoever form and character produced by Contractor pursuant to the provisions of this Agreement is the exclusive property of County; and no such materials, documents, or information shall be the subject of any copyright or proprietary claim by Contractor.

5. RECORDS RETENTION.

5.1 Contractor and its subcontractors, if any, shall properly and completely maintain all documents, papers, and records, and other evidence pertaining to the Services rendered hereunder (hereafter referred to as "documents"), and shall make such materials available to the County at their respective offices, at all reasonable times and as often as County may deem necessary during the Agreement period, including any extension or renewal hereof, and the record retention period established herein, for purposes of audit, inspection, examination, and making excerpts or copies of same by County and any of its authorized representatives.

5.2 Contractor shall retain any and all documents produced as a result of Services provided hereunder for a period of four (4) years (hereafter referred to as "retention period") from the date of termination of the Agreement. If, at the end of the retention period, there is litigation or other questions arising from, involving or concerning this documentation or the services provided hereunder, Contractor shall retain the records until the resolution of such litigation or other such questions. Contractor acknowledges and agrees that County shall have access to any and all such documents at any and all times, as deemed necessary by County, during said retention period. County may, at its election, require Contractor to return said documents to County prior to or at the conclusion of said retention.

6. TERMINATION.

6.1 This Agreement may be terminated by County with or without cause upon thirty (30) days written notice to Contractor.

6.2 Upon termination of this Agreement, Contractor shall affect an orderly transfer to County or as the County may designate, at no additional cost to County, completed documents, papers, records, charts, reports, and any other project related materials or information produced as a result of or pertaining to the Services rendered by Contractor, or provided to Contractor, hereunder, regardless of storage medium, if so requested by County. Any record transfer shall be completed within thirty (30) calendar days of a written request by County and shall be completed at Contractor's sole cost and expense. Payment

of compensation due or to become due to Contractor is conditioned upon delivery of all such documents, if requested.

6.3 Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Contractor shall submit to County its claims, in detail, for the monies owed by County for services performed under this Agreement through the effective date of termination. Failure by Contractor to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of County and constitute a waiver by Contractor of any and all right or claims to collect moneys that Contractor may rightfully be otherwise entitled to for Services performed under this Agreement.

6.4 Upon the effective date of expiration or termination of this Agreement, Contractor shall cease all operations of work being performed by Contractor or any of its subcontractors under this Agreement.

6.5 County termination of this Agreement, whether for cause or otherwise, shall not be County's sole remedy, nor shall such termination limit, in any way, at law or at equity. County shall have the right to seek damages from or otherwise pursue Contractor for any default hereunder or any other action allowed to County through law or in equity.

### **How does a business entity comply with HB 1295?**

The Texas Ethics Commission ("TEC") has developed the following prescribed procedures:

- First, the business entity assesses the TEC website at <http://www.ethics.state.tx.us/File/and> and completes form 1295 online, making all necessary disclosures required by HB 1295. Business entities will need to create an account the first time they login to the TEC system. Business entities MUST complete the Form 1295 online.
- Upon completing the form, the TEC website will generate a PDF version of the business entity's Form 1295, including creating a unique "Certificate Number" that is stamped in the upper right hand corner of the form.
- Then the business entity executes and notarizes a hard copy of the form and submits it to the governmental entity on or before the award of the contract
